

WBC MUAYTHAI YOUTH DEVELOPMENT PROGRAM

MISSION STATEMENT, RULES, REGULATIONS & YOUTH PROTECTION PROTOCOLS

MISSION STATEMENT

WBC MuayThai Youth mission

The mission of the WBC MuayThai Youth development program is to promote, support, protect and develop the youth worldwide in accordance with the requirements and spirit of MuayThai in accordance with the WBC MuayThai and the Sport Authority of Thailand “***we believe everyone has a responsibility to promote the welfare of all children and young people, to keep them safe and to practise in a way that protects them***”.

WBC MuayThai Youth`s vision

WBC MuayThai youth development program wants to lead and unite the sport of MuayThai for the next generation of MuayThai practitioners while upholding the core values of the sport and culture of MuayThai.

WBC MuayThai Youth objectives

WBC MuayThai Youth development program shall fulfil its mission by achieving the following objectives:

- (A) to promote the sport and the spirit of MuayThai in all its forms, in the light of its educational, cultural and sports values and to encourage the youth development of MuayThai throughout the world;
- (B) to promote the WBC MuayThai Youth development program globally as a healthy, educational and fitness activity for boys and girls, and to foster the safety of Boxers and their welfare at all levels, particularly by promoting and controlling good sporting practices, and through youth and development programs;
- (C) to promote the highest standards with respect to organization, judging, refereeing, coaching, training, education and medical and anti-doping controls in the sport of MuayThai;
- (D) to organize and conduct WBC MuayThai Youth Competitions globally;

- (E) to regulate the WBC MuayThai Youth development program worldwide through the Regulations;
- (F) to encourage and support the development, organization and delivery of the WBC MuayThai Youth program worldwide through its National Representatives, and to ensure that the rules and regulations of the WBC MuayThai comply with the provisions of this Constitution and with the Regulations applicable to them;
- (G) to promote understanding and cooperation between National Representatives, to give them support, to strengthen their authority and prestige and to ensure unity among our representatives;
- (H) to preserve the right of every individual to participate in MuayThai as a sport without unlawful discrimination of any kind undertaken in the spirit of friendship, solidarity and fair play;
- (I) to promote the involvement of women in the sport of MuayThai and enhance women's youth programs;
- (J) to combat doping and integrity issues that might damage the sport and reputation of MuayThai; and
- (H) to protect & safeguard the youth

3. Athlete Eligibility

3.1. WBC MuayThai has the right to make a final decision regarding an athlete's eligibility to partake in a WBC MuayThai development day or WBC MuayThai competition.

3.2. Each National Federation is responsible for ensuring that its athletes meet all the requirements of Rule 4 of these rules.

4. Nationality Eligibility

4.1. Athletes must be of the same nationality or have permanent residency in the country where the National Federation which has registered them.

4.2. Nationality shall be confirmed by a passport issued by the represented country. When the nationality is questioned, the assigned WBC MuayThai committee has the right to request the following documents:

Birth Certificate

Citizenship Identity Papers

Nationality Identity Documents

Permanent Residency Documents

5. Eligibility on Medical-related Issues

5.1. Athletes are not allowed to enter any WBC MuayThai competitions with the following conditions:

5.3.1 Wearing a dressing on a cut, wound abrasion, laceration or blood swelling (on the scalp or face including the nose and ears).

5.3.2 If an athlete has an abrasion or a laceration, no dressing other than non-petroleum skin protective jelly and Adrenaline 1/1000 or Steri-Strip may be used.

5.4 The decision is made by the doctor during the medical examination at the daily weigh-in.

5.5 An athlete must be clean shaved before all medical examinations and each bout.

5.6 Beards and moustaches are not allowed (exceptions for religious reasons)

5.7 No body piercing and no body accessories are permitted to be worn during a bout.

5.8. An athlete is only allowed to wear soft contact lenses. All other contact lenses are prohibited.

5.9. If the concerned athlete loses contact lenses, the following rules apply:

5.9.1. The athlete accepts to continue to box and the bout continues;

5.9.2. The athlete does not accept to continue to box without contact lenses, the referee terminates the bout, and the opponent is declared the winner.

5.9.3. If an athlete has a medical condition that is deemed unsafe, by the organisation doctor, he/she must provide a letter from a professional medical practitioner attesting it is safe for them to compete.

5.9.4 An athlete wearing braces, including braces on both upper and lower sets of teeth, can box if he/she is wearing a fitted gumshield and can provide a letter from his or her orthodontist attesting that it is safe to compete.

5.9.5 For athletes with braces on both upper and lower sets of teeth wearing a gumshield for the upper set of teeth is sufficient.

5.9.6 A copy of the original consent from the orthodontist should be presented to the respected WBC MuayThai national representative.

6. Stoppages

Knockout (KO) and Referee Stops Contest (RSC)

6.1 When the result of the bout is KO or RSC, the ringside doctor must fill out and sign a medical bout report.

6.2. If an athlete suffers a KO as a result of a blow(s) to the head (KO-H) or has a diagnosis of concussion, the athlete is suspended for a minimum of 30 days following this period, the athlete must follow approved medical protocols.

6.3 The ringside doctor delivers the medical bout report to the technical delegate with a recommendation on how many rest days are prescribed and/or the protective sanitary measures to be taken before he/she is allowed to box again.

6.4. An athlete who loses a contest after receiving too many hits to the head or having been knocked down several times in a contest, will not be permitted to take part in any MuayThai competition or training for a minimum period of at least 30-days, upon the recommendation of the medical physician should they deem it necessary.

6.5 An athlete suffering a knockout cannot partake in any WBC MuayThai sanctioned contest for a minimum period of sixty (60) days. An athlete suffering two (2) consecutive knockouts must be suspended for a minimum of one hundred twenty (120) days and furthermore must submit special thorough medical examinations, after which other necessary medical measures might be taken before any sanctioning takes place.

7. Competition Registration

7.1 Athletes must comply with Rule 1,3 and 4 of these rules to register for any WBC MuayThai finals competition.

7.2 In any official WBC MuayThai competitions, only one athlete per weight category per country is allowed to compete.

7.3 When registering for any WBC MuayThai competition, all athletes and team officials must provide a clear and legible copy of their current passport, a national identification document or a refugee identification document.

8. Submission of the Anti-Doping Consent Form

8.1 To participate in an official WBC MuayThai youth championship competition, an athlete must have a signed Anti-Doping consent forms uploaded to their database profile, these forms will be supplied by??

9. Equipment

9.1 In competitions, athletes must use only the gloves certified/supplied by the WBC MuayThai development day host or competitions organizers.

9.2 The glove sizes for all WBC MuayThai competitions are as follows.

9.3 Athletes must use (10) ounce gloves or higher

9.4 The gloves laces must be tied with knots behind the wrists, and then covered with tape. Glove wearing must be inspected and stamped by the authorized WBC supervisor, or local commission glove inspector, who must observe and control the final wearing of gloves to ensure that the athletes do it according to the rules, until the boxer's step into the ring.

10. Hand Bandages

10.1. athletes must wrap their hands with soft hand bandages not longer than six (6) meters and not wider than five (5) centimetres, for each hand.

10.2. the athletes may use commission or sanctioning body approved tape, but not longer than two and a half (2 ½) meters and two and a half (2 ½) centimetres wide for each hand to top-up on the wrist or back of the hand. It is absolutely forbidden to top-up the tape across the knuckles.

11. Cultural & Religion

11.1. Head and body uniform can be worn by athletes to comply with cultural believes which may consists of a full sport hijab or a skull cap (Black or White)

12. Paying Homage and Rounds

12.1. Paying Homage: Before the bout, every athlete should pay homage in accordance with the ancient arts and customs of MuayThai, namely The Wai Kru/Ram Muay accompanied by Thai music.

The bout will start after paying homage.

13. Seconds

13.1. In general competition, an athlete may have two (2) seconds. The referee must be informed about the chief second and his/her assistant before the bout. However, for the championship bout, a boxer may have three (3), seconds, but only two (2) seconds are allowed into the ring during a round interval.

13.2 The seconds duties:

13.2.1 The seconds are allowed to give verbal advice only, from safe distance, during the bout. If they violate the rule, the referee will warn, caution, or discharge from them their duties.

13.2.3 During the bout, the seconds must stay on their seats or in the designated area. Before each round, they must clear towels, water bottles and other materials from the ring edge.

13.2.4 During a round interval, the second must check the athlete's dresses in readiness for the bout. If there is any problem, the second must notify the referee immediately to solve it.

13.2.5 The seconds shall not use rude words and they shall not hurt (physically) the athletes during the bout, or after.

13.2.6 The seconds must wear uniform shirt, or their boxing champ symbols which are polite in nature, with no rude words or symbols on the corner jackets.

13.2.7 The seconds may arrange their own material, equipment, and medical supplies at their corners as follows:

Water

Ice

Towels

Adrenaline of 1/1000 solution or other substances as approved ring doctor

Gauze

Cotton buds

A pair of safety scissors

Wound bandages

Absorbent cotton bandages or wounds soft bandages.

The athletes chief second may look to give up for his/her athlete by stepping onto the ring. He/she is not allowed to throw a sponge or a towel onto the ring.

14. Surface Covering

14.1 The floor or ring must be covered with padding (felt, rubber or other suitable approved material having the same quality of elasticity) not less than **1.5** cm and not more than 2 cm in thickness. The canvas should be secured in place over the padding, and both the padding and canvas should cover the entire competition area. No competitions, sparring or any MuayThai youth development activities should take place on an unprotected surface.

15 Officials

15.1. The responsibility of any official is to provide a safe, fair and professional environment for athletes to compete

15.2 All WBC MuayThai Youth officials must be suitably qualified to officiate a WBC MuayThai Youth contest and must also be DBS/CRB checked and clear to work with children – **a copy of their certificates must be sent to the WBC National country representatives!**

15.3. To conduct their duties in a professional, polite and fair manner holding the reputation of the WBC MuayThai whilst so doing.

Note: It is the WBC MuayThai National country representative responsibility to ensure that the above is in place for all Youth contest, the safety of the athletes is the most important process of this project!
